

## Snow, Fire & Feast

*December – April*  
*Daily 10:00h – 14:00h*

The ultimate Arctic picnic in one of the most beautiful National Parks in Lapland. Imagine snowy trees, the silence of snow white fells, hearing the sound of your own breath and sharing lunch around a fire in a warm traditional Lapland hut.

We share our passion for wild food and the places where we love to go with you. Make your own berry snow sorbet. Discover the joy of our warm cloudberry brownies next to the fire. Drink water from a stream. Lunch, additional clothing, snowshoes and transport included. Suitable for all levels of fitness.

Snow, Fire & Feast takes you into Pallas-Yllästunturi National Park, 45 minutes drive from Levi. Enjoy a short, gentle walk to a kota and help light the fire to warm our lunch.

Our food is made with locally sourced and ethically foraged ingredients, found in the places we are visiting, which has grown in some of the cleanest air in the world.

Lunch includes many Arctic 'super foods'; unique Lapland breads, nettle seeds, lingonberries, cloudberry, wild blueberries, chaga mushroom 'coffee' and juniper. Special dietary needs can be easily accommodated, please contact us in advance.
